

Mallacoota P-12 College
PARENT PAYMENT ARRANGEMENTS
Year 8 2022

Dear Parent/Guardian,

Mallacoota P-12 College is looking forward to another great year of teaching and learning and would like to advise you of the College's voluntary financial contributions for 2022.

Schools provide students with free instruction to fulfil the standard Victorian Curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support and assure you that all financial contributions make a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to provide extra classroom support in the primary area, implement a robust digital device program, run a Music program, enhance the STEAM (technology) program.

The total Voluntary Curriculum Contribution for 2022 is \$171.50 per student

Extra-Curricular Items & Activities

Payments for Extra-Curricular activities will be requested on an opt-in or user pays basis in 2022. Please find attached an outline of Extra-Curricular options the school is proposing for 2022.

Please indicate the camps you would be likely to purchase on the attached form, so we can plan for viability and final costs of running these activities. Please return this form to the office by the end of the 2021 school year.

Payment Methods

Payment can be made at the school office by cash or cheque. **Please do not make payment this year.**

Alternatively, you can make payment directly in the College account:

BSB: 633 000

Account No: 158175489

Account Name: Mallacoota P-12 College Council Official Account

If making payments via this method, please include your students surname and '2022' in the reference so that we can reconcile it (i.e Reference: 'Smith2022')

Mallacoota P-12 College understands that some families may experience financial difficulty and offers a range of support options, including:

- Camps, Sports and Excursions Fund
- Drought Assistance or Bushfire Support credits
- State School's Relief (SSR)
- School Breakfast Program

For a confidential discussion about accessing these services, or if you would like to discuss alternative payment arrangements, contact our Business Manager, Rebecca or one of our Principal class staff.

Ph: 03 5158 0254 | Email: Rebecca.Cashmore@education.vic.gov.au

Please note: we do not have EFTPOS or credit facilities at the College Office

- An initial invitation for curriculum contributions will be sent 6 weeks prior to the commencement of the school year and requests will be sent out no more than once per term.
- All students have access to the standard curriculum
- Any record of payment or contributions by parents and guardians will be kept confidential and a receipt provided, on request.

Refunds

Mallacoota P-12 College will consider requests for partial or full refunds of payments made by parents on a case-by-case basis taking into account the individual circumstances. Generally we will not be able to refund payments made for items purchased or costs that have already been paid where those funds have already been transferred to a third party. For example, camp costs when a child becomes unwell and cannot attend in circumstances where the payment has already been made or committed to a third party and no refund is available to the school. Where possible, we will make this clear to parents at the time of payment. An alternative option of retaining the payment on the family account for other charges will also be offered to parents.

For further information on the Department's Parent Payment Policy please see a one page overview attached.

Yours sincerely,

Matt Barlee
