

Mallacoota P-12 College
PARENT PAYMENT ARRANGEMENTS
Year 10 2023

Dear Parent/Guardian,

Mallacoota P-12 College is looking forward to another great year of teaching and learning and would like to advise you of the College's voluntary financial contributions for 2023.

Schools provide students with free instruction to fulfil the standard Victorian Curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We thank you for all your support and assure you that all financial contributions make a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to provide extra classroom support in the primary area, implement a robust digital device program, run a Music program and enhance the STEAM (technology) program, as some examples.

The total Voluntary Curriculum Contribution for 2023 is **\$255** per student. Details of what makes up these contributions are on page 3.

Extra-Curricular Items & Activities

Payments for Extra-Curricular activities will be requested on an opt-in or user pays basis in 2023.

Payment Methods

Payment can be made at the school office by cash or cheque. **Please make payment early in 2023, please do not pay in 2022.**

Ph: 03 5158 0254 | Email: Rebecca.Cashmore@education.vic.gov.au

Please note: we do not have EFTPOS or credit facilities at the College Office

- This initial invitation for curriculum contributions will be sent out a minimum of 6 weeks prior to the commencement of the school year and requests will be sent out no more than once per term.
- All students have access to the standard curriculum
- Any record of payment or contributions by parents and guardians will be kept confidential and a receipt provided, on request.

Refunds

Mallacoota P-12 College will consider requests for partial or full refunds of payments made by parents on a case-by-case basis taking into account the individual circumstances. Generally we will not be able to refund payments made for items purchased or costs that have already been paid where those funds have already been transferred to a third party. For example, camp costs when a child becomes unwell and cannot attend in circumstances where the payment has already been made or committed to a third party and no refund is available to the school. Where possible, we will make this clear to parents at the time of payment. An alternative option of retaining the payment on the family account for other charges will also be offered to parents.

For further information on the Department's Parent Payment Policy please see a one page overview attached.

Yours sincerely,

Cheryl Osborne
