

## 2023 Secondary and VCE/VM Booklist requisites

All items listed on this document are to be purchased and owned by students. In 2023 the school will not be providing these items in bulk, as we have in previous years.

A basic stationery set includes pens (blue, black and red), pencils, erasers, sharpeners, ruler, highlighters, scissors, glue sticks, pencil case etc.

Most students will already have their basic stationery set from previous years and we encourage them to use this in the interest of sustainability. The school will supply students with any additional requirements, covered by the curriculum contribution paid to the school.
