PARENT PAYMENTS POLICY - ONE PAGE OVERVIEW

FREE INSTRUCTION

- Schools provide students with free instruction and ensure students have free access to all items, activities and services that are used by the school to fulfil the requirements of the Curriculum. This includes the Victorian Curriculum F-10, the Victorian Certificate of Education (VCE) including the VCE Vocational Major and the Victorian Pathways Certificate.
- Schools may invite parents to make a financial contribution to support the school.

PARENT PAYMENT REQUESTS

Schools can request contributions from parents under three categories:

Curriculum Contributions

Voluntary financial contributions for curriculum items and activities which the school deems necessary for students to learn the Curriculum.

Other Contributions

Voluntary financial contributions for non-curriculum items and activities that relate to the school's functions and objectives.

Extra-Curricular Items and Activities

Items and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides for free to deliver the Curriculum. These are provided on a user-pays basis.

- Schools may also invite parents to supply or purchase educational items to use and own (e.g. textbooks, stationery, digital devices).

FINANCIAL HELP FOR FAMILIES

- Schools put in place financial hardship arrangements to support families who cannot pay for items or activities so that their child doesn't miss out.
- Schools have a nominated parent payment contact person(s) that parents can have a confidential discussion with regarding financial hardship arrangements.

SCHOOL PROCESSES

- Schools must obtain school council approval for their parent payment arrangements and publish all requests and communications for each year level on their school website for transparency.

Educational items for students to own

Our school purchases a basic stationery supplies pack for each student in Year 7. In following years, it is the parents responsibility to replace any used items in this pack.

Extra-Curricular Items & Activities

Payments for Extra-Curricular activities will be requested on an opt-in or user pays basis in 2025. If you have credit on your account, this will be used to make payment. If you do not, we will send an invoice home.

- Camps, Sports and Excursions Fund
- School Saving Bonus
- Drought Assistance or Bushfire Support credits held on your family account

Refunds

Mallacoota P-12 College will consider requests for partial or full refunds of payments made by parents on a case-by-case basis taking into account the individual circumstances. Generally we will not be able to refund payments made for items purchased or costs that have already been paid where those funds have already been transferred to a third party. For example, camp costs when a child becomes unwell and cannot attend in circumstances where the payment has already been made or committed to a third party and no refund is available to the school. Where possible, we will make this clear to parents at the time of payment. An alternative option of retaining the payment on the family account for other charges may also be offered to parents.

Summary

- This initial invitation for curriculum contributions is sent out a minimum of 6 weeks prior to the commencement of the school year and requests will be sent out no more than once per term.
- All students have access to the standard curriculum
- Any record of payment or contributions by parents and guardians will be kept confidential and a receipt provided, on request.

We thank you for all your support and assure you that all financial contributions make a huge difference to our school and the programs we can offer. In 2024 within our school this support has allowed our Department funding to be directed towards expanding our STEAM program, upgrading classroom furniture and purchasing Smartboards for several classrooms, as some examples.

Yours sincerely,
