STATEMENT OF COMMITMENT TO CHILD SAFETY AND CHILD SAFETY PRINCIPLES

Mallacoota P-12 College is a child safe organisation which welcomes all children, young people and their families.

We are committed to providing environments where our students are safe and feel safe, where their participation is valued, their views respected, and their voices are heard about decisions that affect their lives. Our child safe policies, strategies and practices are inclusive of the needs of all children and students.

We have no tolerance for child abuse and take proactive steps to identify and manage any risks of harm to students in our school environments.

We promote positive relationships between students and adults and between students and their peers. These relationships are based on trust and respect.

We take proactive steps to identify and manage any risk of harm to students in our school environment. When child safety concerns are raised or identified, we treat these seriously and respond promptly and thoroughly.

Particular attention is given to the child safety needs of Aboriginal students, those from culturally and linguistically diverse backgrounds, international students, students with disabilities, those unable to live at home, children and young people who identify as lesbian, gay, bisexual, trans and gender diverse, intersex and queer (LGBTIQ+) and other students experiencing risk or vulnerability. Inappropriate or harmful behaviour targeting students based on these or other characteristics, such as racism or homophobia, are not tolerated at our school, and any instances identified will be addressed with appropriate consequences.

Child safety is a shared responsibility. Every person involved in our school has an important role in promoting child safety and wellbeing and promptly raising any issues or concerns about a child's safety.

We are committed to regularly reviewing our child safe practices, and seeking input from our students, families, staff, and volunteers to inform our ongoing strategies.

CHILD SAFETY CODE OF CONDUCT

Our Child Safety Code of Conduct sets the boundaries and expectations for appropriate behaviours between adults and students. It also clarifies behaviours that are not acceptable in our physical and online environments.

We ensure that students also know what is acceptable and what is not acceptable so that they can be clear and confident about what to expect from adults in the school.

The [Child Safety Code of Conduct](#), also includes processes to report inappropriate behaviour.

MANAGING RISKS TO CHILD SAFETY AND WELLBEING

At our school we identify, assess and manage risks to child safety and wellbeing in our physical and online school environments. These risks are managed through our child safety and wellbeing policies, procedures and practices, and in our activity specific risk registers, such as those we develop for off-site overnight camps, adventure activities and facilities and services we contract through third party providers for student use.

Our Child Safety Risk Register is used to record any identified risks related to child abuse alongside actions in place to manage those risks. Our school leadership team will monitor and evaluate the effectiveness of the actions in the Child Safety Risk Register at least annually.

In addition, we also promote activities and initiatives within the school community that connects the school and community and raises awareness to prevent bullying and violence (eg. National Day of Action Against Bullying and Violence, 16 Days of Activism).

ESTABLISHING A CULTURALLY SAFE ENVIRONMENT

At Mallacoota P-12 College, we are committed to establishing an inclusive and culturally safe school where the strengths of Aboriginal culture, values and practices are respected.

We think about how every student can have a positive experience in a safe environment. For Aboriginal students, we recognise the link between Aboriginal culture, identity and safety and actively create opportunities for Aboriginal students and the Aboriginal community to have a voice and presence in our school planning, policies, and activities.

We have developed the following strategies to promote cultural safety in our school community:

- Begin events and meetings with an Acknowledgement of Country as a standing agenda item. Use this as an opportunity to pause and reflect or open a discussion.
- Our students are encouraged to be actively involved in developing our school's Acknowledgement of Country
- Fly the Aboriginal and Torres Strait Islander flags on school grounds.

STUDENT EMPOWERMENT

To support child safety and wellbeing at Mallacoota P-12 College, we work to create an inclusive and supportive environment that encourages students and families to contribute to our child safety approach and understand their rights and their responsibilities.

Respectful relationships between students are reinforced and we encourage strong friendships and peer support in the school to ensure a sense of belonging, through implementation of our whole school approach to Respectful Relationships in conjunction with School Wide Positive Behaviour Support and the expected behaviour matrix, student Code of Conduct, our school values, and student workshops delivered through our primary classrooms and secondary home group program.

We inform students of their rights through our whole school approach to Respectful Relationships, Social/Emotional learning program (Powerfully You, Peaceful Kids etc.) and our Health and Home Group programs, and give them the skills and confidence to recognise unsafe situations with adults or other students and to speak up and act on concerns relating to themselves or their peers. We ensure our students know who to talk to if they are worried or feeling unsafe and we encourage them to share concerns with a trusted adult at any time. Students and families can also access information on how to report concerns through our [Child Safety Responding and Reporting Policy and Procedures](#).

When the school is gathering information in relation to a complaint about alleged misconduct or abuse of a child, we will listen to the complainant's account and take them seriously, check our understanding of the complaint, support the student and keep them (and their parents and carers, as appropriate) informed about progress.

In addition to the above, we also incorporate a range of activities and strategies to ensure students are empowered to understand their rights and responsibilities and to when and how to take action. We do this by:

- Providing students with information about our complaints processes.
- Giving students a variety of ways to raise concerns. For example:
 - providing an anonymous, student suggestion box
 - conducting regular online surveys
 - providing information about the adults who students can talk to if they have a concern
 - [Student help-seeking and behaviour feedback and reporting form](#)

To support family engagement, at Mallacoota P-12 College we are committed to providing families and community with accessible information about our school's child safe policies and practices and involving them in our approach to child safety and wellbeing.

We will create opportunities for families to have input into the development and review of our child safety policies and practices and encourage them to raise any concerns and ideas for improvement.

We do this by:

- ensuring all of our child safety policies and procedures are available for students and parents at Mallacoota P-12 College webpage
- using Newsletters and Compass to inform families and the school community about any significant updates to our child safety policies or processes, and strategies or initiatives that we are taking to ensure student safety.
- displaying PROTECT Child Safety posters, along with a child friendly version of our Child Safety policy across the school, in particular on the Secondary Student Noticeboard, in the cooking room, locker bays and in the Primary Wet Area.

- Regularly engage with parents, carers and students and discuss the needs of students through parent/teacher interviews.
- Communicate with and appropriately involve families at all stages of the process if a concern is raised or complaint is made.
- Promote the whole school approach to Respectful Relationships and [Resilience Rights and Respectful Relationships education](#) to families.

DIVERSITY AND EQUITY

As a child safe organisation, we celebrate the rich diversity of our students, families and community and promote respectful environments that are free from discrimination. Our focus is on wellbeing and growth for all.

We recognise that every child has unique skills, strengths and experiences to draw on.

We pay particular attention to individuals and groups of children and young people in our community with additional and specific needs. This includes tailoring our child safety strategies and supports to the needs of:
