At the end of a busy term, our teaching staff have met with their colleagues from the Orbost and Cann River areas to participate in an informative professional development session, during Mondays curriculum day. We focussed on our Teaching Techniques and our Teaching Frameworks.

Thursday sees the culmination of a mountain of effort by a lot of people in the Artists in Schools project. On Thursday evening the students who have been involved in this project, coached and supported by musicians Padma and Nick, together with our energetic music coordinator Lisa Broome, will perform their musical numbers at the Mudbrick Pavilion. Having heard snippets of their sound, I would like to encourage everyone to get along and hear what they have come up with. It promises to be yet another event when the talent of our young people is on display.

Following a whole school assembly at 2pm on Friday, school will be dismissed for a two week break. This is a good chance to recharge the batteries, get some study done and I look forward to the whole school community returning refreshed on Monday 14th July. For those who are going away, travel safe and for those staying here, enjoy all that Mallacoota has to offer.

Have a great break
Tim
